## **Pavement Reconstruction Project along IL 132 from Ferndale Street to Estes Street**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Illinois 132 between Ferndale Street and Estes Street, in Gurnee, for a pavement reconstruction project, beginning, weather permitting, Wednesday, May 10.

In order to complete the work, Illinois 132 will be reduced to one lane in each direction from Ferndale Street to Estes Street. Estes Street also will be closed at the intersection of IL 132.

The scope of the reconstruction project includes pavement patching, as well as improvements to storm sewers, sidewalk, curb and gutter. This portion of the project will be completed in Fall 2017, part of a larger project expected to be completed in Spring 2019.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
